### **Union Update Wednesday April 26, 2017**

#### **Avon Lake:**

Today a tentative agreement was reached with NRG on a new two-year contract for the members working at the Avon Lake Plant. Packages containing the Summary of Agreement will be mailed by the company to the members' homes. Along with the Summary of Agreement, there will be a cover letter with the Date, Time, and Location of the explanation meetings. At the explanation meetings, after all questions have been asked and answered a vote to ratify will be held. You must attend the entire explanation meeting in order to vote.

#### **Ashtabula/Cleveland Division:**

Contract negotiations with FirstEnergy are under way. To date we have had 4 meetings, proposals have been exchanged. The negotiating committee will continue to meet with the company in order to bring back to the membership a contract that we can support. We ask for both your support and your patience. Continue to follow all work and safety rules.

#### **Water Division:**

We have had several meetings with the city of Cleveland. We will continue meeting with the city in order to bring back to the membership a contract that the negotiating committee can support. We ask for your patience, continue to follow work and safety rules.
