October 25, 2017

Ashtabula/Cleveland Division

The Ashtabula/Cleveland Divisions have ratified a new 5-year contract. The new Collective Bargaining Agreement expires April 30, 2022. Thank you to those members who took the time to attend the explanation meetings and exercise their right to vote.

For those members who retired after May 1, 2006, beginning in 2018 there will no longer be any supplement towards your health care. FirstEnergy is mailing to you all the information and documentation that you will need in order to make selections for your health care benefits in 2018.

For those members who retired under the VERO, you have health care, dental, and vision available through 2019. You must stay with FirstEnergy to get these benefits. FirstEnergy will be mailing you the information.

Reminder:

Open enrollment for your health care benefits for 2018 with the Alpha Group ends November 17th.
Open enrollment for your other benefits through First Energy ends October 30th.

We are still working with management in an attempt to finalize the contract so the books can be printed.
